

Rare Earths 2016 in Sapporo, Japan

June 5-10, 2016, Sapporo, Hokkaido, Japan

Sunday, June 5

15:00-	Registration desk open
18:00-	Welcome reception (Sapporo Aspen Hotel, "Aspen" (2nd Floor))

Monday, June 6

	Lecture Hall	Small Lecture Hall	Conference Room 1
8:30-	Registration desk open		
9:20-9:30	Opening Ceremony		
9:30-10:30	Plenary Lecture (Prof. Jean-Claude G. Bünzli)		
10:30-11:00	Coffee Break		
11:00-12:30	Session 05. Coordination Chemistry, Analytical Chemistry, and Separation (1)	Session 03. Batteries, Fuel Cell Systems, and Ionic Conductors (1)	Session 02. Actinoid
12:30-14:00	Lunch on own		
14:00-16:00	Session 05. Coordination Chemistry, Analytical Chemistry, and Separation (1)	Session 03. Batteries, Fuel Cell Systems, and Ionic Conductors (1)	Session 10. Organometallic and Organic Synthesis (1)
16:00-16:30	Coffee Break		
16:30-18:30	Session 05. Coordination Chemistry, Analytical Chemistry, and Separation (1)	Session 03. Batteries, Fuel Cell Systems, and Ionic Conductors (1)	Session 06. Earth Science, Resources, and Recycling (1)
18:40-	Distinguished Evening Lecture (Prof. John E. Greedan)		

Tuesday, June 7

	Lecture Hall	Small Lecture Hall	Conference Room 1
8:30-	Registration desk open		
9:00-10:00	Plenary Lecture (Prof. Masakatsu Shibasaki)		
10:00-10:30	Coffee Break		
10:30-12:30	Session 05. Coordination Chemistry, Analytical Chemistry, and Separation (2)	Session 03. Batteries, Fuel Cell Systems, and Ionic Conductors (2)	Session 06. Earth Science, Resources, and Recycling (2)
12:30-14:00	Lunch on own		
14:00-17:00	Session 10. Organometallic and Organic Synthesis (2)	Session 09. Luminescence (1)	Session 12. Solid State and Magnetism (1)
17:00-18:40	Coffee Break & Poster Session (1)		
18:40-	Distinguished Evening Lecture (Prof. Gin-ya Adachi)		

Wednesday, June 8

	Lecture Hall	Small Lecture Hall	Conference Room 1
8:30-	Registration desk open		
9:00-10:00	Plenary Lecture (Prof. Vitalij K. Pecharsky)		
10:00-10:30	Coffee Break		
10:30-12:30	Session 07. Heavy Fermions, Metallurgy, Alloys and Intermetallics (1)	Session 09. Luminescence (2)	Session 06. Earth Science, Resources, and Recycling (3)
17:00-17:30	Bus Transport		
18:00-	Banquet (Sapporo Beer Garden)		

Thursday, June 9

	Lecture Hall	Small Lecture Hall	Conference Room 1
8:30-	Registration desk open		
9:00-10:00	Plenary Lecture (Prof. Alessandro Trovarelli)		
10:00-10:30	Coffee Break		
10:30-12:30	Session 04. Catalysts (1)	Session 09. Luminescence (3)	Session 06. Earth Science, Resources, and Recycling (4)
12:30-14:00	Lunch on own		
14:00-17:00	Session 10. Organometallic and Organic Synthesis (3)	Session 09. Luminescence (3)	Session 11. Rare Earths in Bioscience
17:00-18:40	Coffee Break & Poster Session (2)		

Friday, June 10

	Lecture Hall	Small Lecture Hall	Conference Room 1
8:30-	Registration desk open		
9:00-9:40	Session 04. Catalysts (2)	Session 11. Rare Earths in Bioscience (2)	Session 12. Solid State and Magnetism (2)
9:40-10:00		Session 09. Luminescence (4)	
10:00-10:30	Coffee Break		
10:30-12:30	Session 04. Catalysts (2)	Session 09. Luminescence (4)	Session 12. Solid State and Magnetism (2)
12:30-14:00	Lunch on own		
14:00-14:50	Session 10. Organometallic and Organic Synthesis (4)	Session 07. Heavy Fermions, Metallurgy, Alloys and Intermetallics (2)	Session 12. Solid State and Magnetism (2)
14:50-15:10		Session 08. Hydrogen Storage Materials, Permanent Magnet	Session 01. General
15:10-15:30			
15:40-16:10	Closing Ceremony
